

## **ANDREW SCHMETZER**

Bachelor of Applied Science Agriculture

Post Graduate Certificate – Ruminant Nutrition

Fertcare B and C Trainer

### **Areas of Expertise**

- Animal Production Specialist
- Beef Cattle Nutrition/Production Systems
- Whole Farm Advice – Grazing and Cropping
- Succession Planning

Andrew is a senior consultant based at the Meridian Agriculture Yendon office. He has extensive background in sheep and beef enterprises, animal health, pasture seed, fertilizer, rural retailing and farm management.

His extensive knowledge of grazing production systems in the dairy, beef cattle and sheep enterprises presents an ideal opportunity for Meridian clients to benefit from his experience.

Andrew provides advice to individual clients and manages a number of farm discussion groups.
