

Advancing Beef Leaders

12 month program

22 successful applicants

Applications close 31st May

Applications are now open for the Advancing Beef Leaders program.

The ABL program is a tailored leadership and professional development program designed for Queensland beef producers and agribusiness professionals.

Successful applicants will undertake a unique 12 month program, learning from key industry leaders, mentors and private sector facilitators both virtually and face to face.

\$1000 participant contribution towards the program cost [valued at \$10,000 per participant].
